**Next Live Webchat**

My live webchat on 8<sup>th</sup> February was a success and I want to build on that. I can get to more young people by being online and hopefully more constituents will log on too. My next live webchat will be Wednesday 14<sup>th</sup> March between 7.30 - 8.30pm, live from the House of Commons. So log on to <http://adamhollowaymp.blogs.pot.com> to register your interest. Thanks again to Microsoft and Chris Dalby of Yellowpark, a Gravesham based business, who has dedicated his time to make this happen. [www.yellowpark.net](http://www.yellowpark.net)

**Councillor Colin Jupp: RIP**

Adam is very happy to hear from constituents at any time if they are in need of help and have exhausted other channels - or if they want to comment on something.

 LISTING EDITION  
 YOUNG PEOPLES ORGANISATIONS  
 February 2007 newsletter

For this newsletter I have once again listed the contact details of our local Councillors. These people come in for a bit of stick from time to time, but I can assure you that the overwhelming majority of Gravesham Councillors of both parties are deeply committed to the communities they serve. Whilst they do get a small allowance for their expenses it goes nowhere near to compensating them for the time they spend serving the rest of us - and, unlike me and the council officers, they are not paid.

I am keen to hear from constituents "24/7, 365 days a year" (within reason!) when they want to comment on something or have a difficulty that they have not been able to resolve through all the usual channels.

Do please continue to do so, but I also list the Councillors details because sometimes - particularly on issues that concern the council - they can be better placed to give advice than me in your Westminster office.

Finally I would like to pay respects to Councillor Colin Jupp who died in February. He was a really lovely kind man, and - led by the Mayor - we the "political classes" in Gravesham, the people of Higham, and manyhundreds of others send our love and sympathy to his widow Pat, his daughter Lisa and the rest of his family.

## Action for Gravesham all year round

### Young People's Organisations in Gravesham

A while back I was banging on about the lack of facilities for young people outside school hours in the Borough. Whilst I believe we can still do a lot better, I was very pleasantly surprised when I was provided with this list of things that are going on. I have seen quite a number of these activities in action - and there really are some very constructive things for teenagers. Now I am aware that some of you reading this may question what such activities have to do with you - perhaps your teenage years are some considerable time ago! But may I suggest that grandparents, parents, friends, or people just living on the same street as youngsters with time on their hands actively try (through their parents) to get them involved in some of these activities. I would very much like to hear from you if you do.
